NEWSPAPER/MAGAZINE/MEDIA FEATURED STORIES

My work has been the subject of feature stories in a number of regional, national and international outlets. Feature articles on my research and writing have appeared, for example, in Newsweek, The New York Times Magazine, Parade, USA Today, OMNI, Psychology Today, Discover, Utne Reader and many newspapers. I have been featured on many National Public Radio Shows, including All Things Considered, Talk of the Nation and Radio Lab, and on a number of national television shows, including The Discovery Channel, The Canadian Discovery Channel, BBC Television and Radio, ABC World News, NBC Dateline, ABC PrimeTime, CNN News, CNN Special Reports, Canal 4 (France) and the National Geographic network. Also, versions of my own articles have been published as feature articles in many newspapers, including The New York Times, The San Francisco Chronicle, The San Diego Union, The St. Louis Journalism Review, The Sacramento Bee, and Business International.

GRANTS

I have received over 50 research, innovative teaching and performance awards and grants ranging from \$1,000 to \$3,000, from the College of Science and Mathematics, and/or California State University, Fresno
